

Th.D. Major Core Course Descriptions and Textbooks

Th.D. Major Core Curriculum One Course Descriptions

Th801: Introduction to Theology

This preliminary doctoral level course introduces the basic topics in the study of Theology. It prepares the candidate for the in-depth study of similar topics in Th803 and Th806.

Th802: Exegesis of the Book of Hebrews

This course requires the Audio Lectures in the Online Th.D. Resource Room and the Hebrew-Greek Key Word Study Bible. Projects in exegesis are completed using the Online Greek Lexicon in the Online Th.D. Resource Room.

Th803: Christian Theology I

Using the required textbook, this course contains in-depth studies for seven theological subjects. These are: Scripture; God; The Lord Jesus Christ; The Holy Spirit; Angels, Satan, and Demons.

Th804: Theology of Missions

This course uses the required textbook to integrate current views of the Kingdom of God and holistic mission with traditional views of evangelism and church planting. Topics include contextualization, the missionary vocation, church and mission, and theology of religions. Case studies enable the Th.D. degree candidate to learn how theology of mission engages real-life mission practice.

Th805: Exegesis of the Old Testament

This course integrates the Online Th.D. Resource Room Old Testament text, the Hebrew-Greek Key Word Study Bible, and the Hebrew Lexicon in the Resource Room. This combination creates a venue for research and exegesis in portions of the Old Testament. The Th.D. degree candidate is allowed to select the portions of the Old Testament that will complete the requirements for the Projects.

Th806: Christian Theology II

Using the required textbook, this course contains in-depth studies for six theological subjects. These are: Humanity and Sin; Salvation; Sanctification; The Church; The End Times.

Th.D. Major Core Course Descriptions and Textbooks

Th807: Eschatology: Studies in the Books of Daniel and Revelation

The Audio Lectures in the Online Th.D. Resource Room are used for the information in the books of Daniel and Revelation that is required to complete the Projects in this course. Eschatology from the Old Testament and from the New Testament provides an enriching study. This course also contains a wealth of information which may be used to teach and preach on the subjects in Eschatology.

Th808: Exegesis of the New Testament

This course integrates the Online Th.D. Resource Room New Testament text, the Hebrew-Greek Key Word Study Bible, and the Greek Lexicon in the Resource Room. This combination creates a venue for research and exegesis in portions of the New Testament. The Th.D. degree candidate is allowed to select the portions of the New Testament that will complete the requirements for the Projects.
